**EXHIBIT A TO CITY OF SAN JOSE ("CLAIMANT")  
PROOF OF CLAIM – PRIORITY TAX CLAIM, SECTION 507(a)(8)**

1. Claimant has multiple contractual, statutory and municipal relationships with Debtor. This claim pertains to Claimant's Utility Users Tax ("UUT") claims. If any part or amount of this claim falls outside of the parameters of section 507(a)(8), then such part or amount shall be deemed to be part of Claimant's "non-priority general unsecured claim." Claimant's currently identified UUT claims are listed below in paragraphs A and B. Claimant reserves the right to amend, supplement or modify these claims, and to add additional claims, at any time, as additional information or circumstances warrant.

A. UUT – final assessment for the period 4/1/14 through 3/31/17 - \$8,550,424.81, including interest and penalties prescribed by municipal code, calculated through 12/31/20.

B. UUT - estimated assessment for the period 4/1/17 through 1/28/19, including interest and penalties prescribed by municipal code, calculated through 12/31/20. This amount is subject to Claimant's audit, but Claimant believes the amount of this assessment will be in the range of \$8,700,000.

C. UUT – final electricity assessment for the period 4/1/14 through 3/31/17 - \$1,324,966.35, including interest and penalties prescribed by municipal code, calculated through 12/31/20.

2. Claimant believes that Debtor has copies of all documents supporting the claims in paragraph 1. These documents are voluminous and contain confidential information. Accordingly, Claimant is not attaching copies of the claim documents here. Such documents are available to Debtor upon request, if necessary and subject to appropriate confidentiality protections, to assist Debtor in reviewing these claim amounts.

3. The claim amounts in paragraphs 1.A. through 1.C. include interest and penalties in accordance with municipal law provisions. These amounts are continuing to accrue, do not include attorneys' fees, interest and late fees as permitted in the documents or applicable law. Claimant believes that certain of its agreements and applicable municipal code law also require Debtor to pay Claimant's attorneys' fees. Claimant will amend this claim to add attorneys' fees and to add accruing interest and penalties.

4. Claimant reserves the right to amend, supplement or modify this claim at any time, as additional information or circumstances warrant.

5. To the extent that Debtor asserts claims against Claimant, Claimant reserves the right to assert that such claims are subject to rights of setoff and/or recoupment, whether or not arising under the services and goods transactions that are the subject of this Proof of Claim, which rights may be treated as secured claims under the Bankruptcy Code, state and federal laws of similar import, as well as in equity.

6. To the extent that Debtor or any other party takes any action that would give rise to a counterclaim or other rights or claims that Claimant may have against Debtor, Claimant reserves all of its rights. In filing this claim, Claimant does not waive, and specifically reserves, all procedural and substantive defenses to any claim that may be asserted against Claimant by Debtor, by any trustee, or by any other party.

7. The filing of this Proof of Claim is not and shall not be deemed or construed as: (i) a waiver, release or limitation of Claimant's rights against any person, entity, or property; (ii) a waiver, release or limitation of Claimant's right to have any and all final orders in any and all non-core matters or proceedings entered only after de novo review by a United States District Court; (iii) a waiver of Claimant's right to move to withdraw the reference with respect to the subject matter of this Claim, any objection thereto and/or other proceeding which may be commenced in this case against or otherwise involving Claimant; or (iv) a consent by Claimant to the final determination or adjudication of any claim or right pursuant to 28 U.S.C. § 157(c).
